Flight Line Manager: Niels Nørmark Sørensen

Composition of a national team

According to CIAM General Rules C.5. a national team consists of:

Maximum of 5 individual competitors, provided that at least one competitor is female and at least one is junior. A competitor is considered to be a junior up to and including the calendar year in which he attains the age of 18

One Team Manager .

One assistant Team Manager.

Official helpers or timekeepers as permitted by the rules.

The reigning senior Champion Andreas Böhlen, Switzerland and junior Champion Roman Safonov, Russia has the right (subject to the approval of their NAC and the FAI) to participate in the championship. If they are not a member of the national team, their score or place will not be considered in the team results.

Classification and awards

Individual classification

FAI medals and FAI diplomas will be awarded to the competitors placed first, second and third.

FAI medals and diplomas will be awarded to the first, second and third placed juniors. If only one or two juniors compete in the class, they shall be awarded an FAI medal and diploma.

The best junior earns the title of Junior World or Continental Champion if juniors from at least four different nations participate.

FAI medals and diplomas will be awarded to the first, second and third placed females. If only one or two females compete in the class, they shall be awarded an FAI medal and diploma.

The best female earns the title of Female World or Continental Champion if females from at least four different nations participate.

Team classification

FAI diplomas will be awarded to each member, including the fourth competitor and the Team Manager of the teams placed first, second and third.

FAI Trophies

Trophies will be awarded to the World Champion and the best national team. Current holders are:

F3B Individual Houlberg Trophy: Andreas Böhlen, Switzerland.

F3B Team Challenge Baron Mike Donne: Switzerland.

Two national flag (approx. 1 m x 1.5 m).

MP3 file with the national anthem.

A list of the team member's with FAI ID licences.

The following Items will be handed out to the Team Manager:

ID cards, starting numbers, meal and banquet tickets if ordered, tourist brochures etc.

Model Aircraft Specification Certificates

All models must be processed by the competitor's NAC in accordance with CIAM General Rules C.12.

Model aircraft not properly processed by their NAC, with FAI certificates and stickers, will be processed by the organiser at a cost of 8 Euro for each model according to CIAM General Rules C.12 b.

Processing will be done from Friday till Sunday, detailed schedule will follow in a later bulletin. Bring one (1) completed Model Aircraft Specification Certificate per model to registered.

Insurance

Competitors need to be insured according to the rules of their nation. For the World Championship and pre-contest competitors will be covered by a third party liability insurance according to the FAI rules.

UAV regulations:

In Bulletin-2 we will provide all necessary information about applicable rules or requirements for UAVs regulations in place, which might affect the conduct of the event.

Medical care

The immediate medical First Aid to the participants is in the responsibility of the organizer during the official event. For emergencies, the next hospital is only 6,5 km away in Aabenraa. It is strongly recommended to all competitors that they have insurance which covers them for medical expenses and repatriation in the case of injury.

Frequencies

Competitors not using 2,4 GHz are requested to provide three (3) channels. All available frequencies are to be found here: <https://www.fai.org/ciam-documents>

2.4 GHz standards for Denmark

100 mW eirp according to european standard ETSI EN 300 328 v.1.7.1 sub.22 with amendment of May 2008 minutes of the TCAM-26 conference. The transmitter must be CE marked and contestants must show the declaration of conformity if asked by the organization.

Your stay in Denmark

Venue

Visa requirements

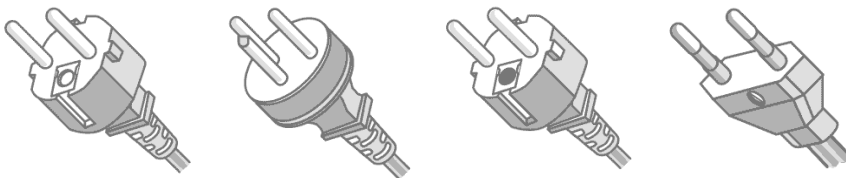

Guidelines for visa requirements are available here: <https://www.nyidanmark.dk/en-GB>.
However we recommend verifying all travel requirements with your local travel representatives.

Arrival by air plane

Nearest airports are Billund in Denmark, 100 km. from venue, Hamburg in Germany, 190 km. from venue and Copenhagen in Denmark, 290 km. from venue.

Power supply

Current is 230 Volts at 50Hz, plugs as shown.

Facilities

We will provide a tent with a space of approximately 6 x 3 meters and a table with benches for the teams who wants. In the tent 230 Volt is supplied for charging, cooling boxes, water heaters, light etc. Ordering will be in the official registration.

Catering

Catering will be provided on site. At least lunch will be provided, but we will try to provide breakfast and evening dinner too. Cost and availability will be announced at latest in the official registration.

Highest mean wind for 10 minutes: 13,2 m/s.

Highest wind gust: 20,3 m/s.

Hours of sunshine: 208.

Sun rise: at 5.39.

Sun set at: 21.13.

Tourisme

There are a lot interesting sites, parks and nature to visit in Denmark:

Denmark is listed with seven locations in Unesco World Heritage. See them at [VisitDenmark Website](#).

Funparks:

www.legoland.dk

<https://djurssommerland.dk/en/> The Largest summerland of Scandinavia

<https://www.campadventure.dk/en/> TIME Magazine says this is one of the 100 best places to visit in 2019

[Tivoli Copenhagen](#)

On the island of Fuenen you will find the birthplace of [Hans Christian Andersen](#) and of the componist [Carl Nielsen](#). Also the [Railway Museum](#) is worth a visit. And if you like the sea, Denmark is also the right spot to be in. You are never further away than 52 km. from our 8.750 km. of coastline.

Bulletin 2

Will be published no later than mid June 2023.

Spectators & medias

We are aiming at both national and local television, radio, newspapers, and social medias to promote the World Championships.

COVID-19 Safety Information

Bulletin – 2 and all the following documentation will include all the necessary information and the protocols that the organizers and the participants will have to follow to participate based on the national regulations and the FAI recommendations. Always the **national regulations always prevail over FAI recommendations**. **From time to time please visit the [FAI web site COVID19 section](#) for any updates. Our web site will also be updated for this matter when so needed.**
